## Laser Shaft Alignment iPresentations

This year Alignment Supplies, Inc., along with ReliabilityWeb, brought you some great iPresentations about laser shaft alignment.

Here they are for you again - all in one place.

Take some time to view these tutorials to learn more about shaft alignment.

## EASY-LASER®

2009 was a great year at Alignment Supplies! We launched our new web site, released new products and brought you some great offers throughout the year!

Keep reading to find out about our latest offer and stay tuned for more in 2010!

## D450 Shaft Alignment System GIVEAWAY!!!

Alignment Supplies, Inc. is giving away **TWO (2)** D450 shaft alignment systems in 2010. One in June and one in December!

No purchase is necessary to win - simply visit the contact page of our website and fill out the [contact form](#), and check the box marked **Enter me to win a FREE D450!** Or, just visit us at one of our conferences this year! You can also enter by calling us at 800.997.4467.

[Click here for official contest rules!](#)

**Best of luck!!**

## Ask Greg - THE Laser Alignment Answer Man

Do you have a question about alignment - shaft, belt or geometric? Submit your question to Greg and you might get published on our blog (you will definitely get an answer!). The best question of each quarter wins a D90 belt alignment tool - so keep those cards and letters coming!

Simply type "Ask Greg" and your question in the **Questions** field on our [Contact Us](#) page! Or send us an email at [info@alignmentsupplies.com](mailto:info@alignmentsupplies.com) with "Ask Greg" in the subject line!

## [Authorized Representatives](#)

Please visit our web site to find an authorized Alignment Supplies representative near you to schedule a demo!

## Parting Shot

"I could be wrong. I've misunderstood a great deal so far."

-Mike Rowe

*Since 1985, Alignment Supplies, Inc. has served the rotating machinery industry with a complete line of alignment-related products for shaft and machinery alignment. As the US Master Distributor for Easy-Laser®, Alignment Supplies, Inc. has the experience, resources, and equipment to address any alignment need.*
